

A LITTLE POEM TO SUM CONSIGNING ALL UP!

Picky and choosy
I must be,
if today's fashions
you want to see.

Timeless classics
will do very well,
If you want your
items to quickly sell.

Trendy is nice
and will sell very fast,
so please don't bring things
that are a blast from the past.

Some people wear
outdated and through,
but please be aware
I take very few.

No smoke or stains,
no mildew or dust,
Please, please
this is a must.

Please don't get angry
and please don't be sad,
if I choose only clothing
that is the latest fad.

Fold them nicely
and hang them too,
wrinkled up clothing
just won't do.

So go through your closet
Come consign with me.
The newer the better,
don't you agree?
